REDISCOVERY OF THE ELEMENTS—ACKNOWLEDGMENTS

The authors are indebted to hundreds of colleagues who contributed critical information and guidance. The list of the major contributors follows, most of whom were visited personally at local sites, in alphabetical order.

Aaserund, Finn - Director, Niels Archive, Copenhagen, Denmark - Bohr, Hevesey, Oersted, hafnium, aluminum
Adunka, Roland - Welsbach Museum, Althofen, Austria - history of Welsbach
Anders, Siegfried - School of Forestry, Eberswalde, Germany - Lothar Meyer
Anderson, Robert G. W. - Science Museum London, National Museums of Scotland, British Museum, Science History Institute (Philadelphia) - history of Edinburgh, Scotland, Black, D. Rutherford, Hope
Atkinson, Keith - Canborne Mines. Redruth, Cornwall, England - Cornwall mines
Barbor, Marcus - University of Roehampton, London - Hatchett
Barette, Jean - McGill University, Montreal, Canada - Rutherford at McGill
Barrett, Anne - Imperial College, London - Faraday collections
Baster, Andrew - Guy's Hospital, Southwark, London - St. Thomas Hospital history
Bednekoff, Alex - Emeritus, Pittsburgh State University, Weir, Kansas - special thanks for visiting Kazan and Ekaterinburg and taking photographs and gathering information used in "Rediscovery"
Beer, Günther - University of Göttingen, Göttingen, Germany - Stromeyer, cadmium
Behm, Malin - University of Helsinki, Helsinki, Finland - history of Abo (Turku), Finland, Gadolin, yttrium
Bennett, Jim - Ashmolean Museum of Science, Oxford, England - Moseley
Berg, Kelly - Varel Museum - biography of Lothar Meyer
Bergsman, Börge - author of *Fahlu Bergsskola* [Falun Mining School] Falun, Sweden - history of Falun mines and School of Mines, Sefström, vanadium
Billoux, Claudine - Archives, Ecole Polytechnique, Palaiseau, France - contact person for Demarcay relatives
Bodo, Bernard - Muséum national d'Histoire naturelle, Paris - Rouelle, Lavoisier
Booth, Nick - University College London - Ramsay, helium
Bourlakov. Evgeni - Ekaterinburg Geological Museum, Ekaterinburg, Russia - Beresov and Ekaterinburg area
Brostow, Witold - University of North Texas - an expert in history of Europe
Brock, William - University of Leiceister, Seaford, England - Crookes
Buck, Wolfgang - Physiklisch-Technische Bundesanstalt, Berlin, Germany - Noddack, Tacke, Dorn
Budach, Rudolph - Clausthal University of Technology, Clausthal, Germany - Harz Mountains, Tilkerode
Busch, Ingo - TUI (travel agency), Hannover, Germany - tellurium and uranium coins
Cahen, Daniel - Director, Institut royal des Sciences naturelles de Belgique, Brussels, Belgium - attempts to locate original Courtois sample

Camm, Simon - Canborne Mines, Redruth, Cornwall, England - host at Manaccan, Gregor and titanium
Campbell, John - University of Canterbury, Christchurch, New Zealand - Rutherford
Castro, Christian - Baylor University, Waco, Texas - Colombia (platinum and gold)
Charlot, Colette - Faculté de Pharmacie, Montpellier, France - history of Ballard
Ciuntu, Viorel - Curator, Museum of Natural History, Sibiu, Romania - tellurium minerals
Cleevely, Ron - South Molton, Cornwall, England - Gregor, titanium
Cohen, Montague - McGill University, Montreal, Canada - Rutherford Museum
Conduit, Pelham - Woolwich Historical Society, Woolwich, England - Woolwich history
Connolly, Joe - University of Glasgow, Glasgow, Scotland - Soddy, Black
Connor, Jonathan - University of Manchester, Manchester, England - history of chemistry, Dalton, Roscoe
Cooper, Alan - University of Glasgow, Glasgow, Scotland - Soddy
Corson, Dale - Cornell University, Ithica, NY - (discoverer of astatine)
Craig, Norm - Oberlin College, Oberlin, Ohio - Hall, aluminum
Croggon, William and Lally - Creed, England - original home of Gregor; tour of Gregor area
Crossley, Richard - Institute of Physics, York, England - history of Priestley and Tennant
Davies, Alwyn - University College London - Ramsay, helium
Daneels, Jill - Paris - Professional tour guide of historic sites in Paris
Davis, E. A. - University of Cambridge - Lord Rayleigh
de Carayon, Camille - (granddaughter of Demaracy), Paris - biography of Demarcay
de Fuentes, Madeleine - Libriarian, École Polytechnique, Palaiseau, France - history of École polytechnique
de Gennes, Pierre-Gilles - chair at ESPCI, Paris - ESPCI and Vauquelin
de Meyenbourg, Marianne - Musée de l'Ile-de-France, Sceaux, France - Curie's parents
de la Mora, Oscar Fernando Nieto - Urupan, Mich., Mexico - del Río, vanadium
Devolder, Pascal - University of Science and Technology, Lille, France - Lamy, thallium
Dmitriev, Igor - Mendeleev Museum, St. Petersburg - Mendeleev
Dobson, Gerard - Emeritus Professor, University of North Texas - general history of chemistry, particularly Paracelsus
Dolphin, Philippa - Birkbeck College, London - Crown and Anchor Inn
Duffy, John - University of Aberdeen, Aberdeen, Scotland - history of science at Aberdeen
Dugué, Jérôme - Moissan Museum, Faculté de Pharmacie, Paris - Moissan
Ehlers, Carl - Åbo University, Turku - Skogsböle, Finland Mine
Emsley, John - University of Cambridge, Cambridge, England - chemical elements
Enghag, Per - author of *Encyclopedia of the Elements*, Öbrero, Sweden - rich resource of information about elemental discoveries in Sweden
Erdmann, Volker - Free University of Berlin - history of Kaiser Wilhelm University
Farinelli, Alessandra - University of Ferrara, Ferrara, Italy - history of pharmaceuticals
Felice, Gian Luigi - Curator of Geology Museum, host at Bologna, Italy
Fischer, Henry - author of *Children of the Danube*, Oshawa, Ontario, Canada - history of Nagybörzsöny, Hungary
Fischer, Nikolaus - Denton, Texas - history of University of Tübingen
Fletcher, Tony - University of Leicester Museum, Leiceister, England - geological history of England

Forray, Ferenc - Babes-Bolyai University, Cluj-Napoca, Romania - Sacaramb, tellurium, gold
Franklin, Steve - Philips, Eindhoven, Netherlands - history of Philips Electronics
Fredriksson, Ulla - denizen of Riddarhyttan, Sweden - much local information
Gablot, Ginette - Institute Curie, Paris - history of Curies and Perey
Gay, Hannah - Imperial College, South Kensington, London - Crookes
Ghiorso, Al - University of California-Berkeley - history of transuraniums
Gilbert, Alan - University of Manchester, Manchester, England - photos of buildings
González, Alejandro Contreras - Penoles Mines, Zimapan - mines of Zimapan area
Gordin, Michael - Princeton University - biography of Mendeleev in St. Petersburg
Gould, Robert and Sheila - University of Edinburgh - history of Scottish scientists
Grandin, Karl - Swedish Royal Academy, Stockholm - Berzelius, history of Academy
Griffith, William - Imperial College, South Kensington, London - history of platinum chemists
Gross, Guenther - University of North Texas, Denton TX - history of Germany
Hannah, Ralph - Records Manager, Guinness World Records, London - Al Ghiorso
Harnisch, Jochen - Max-Placnk-Institut für Aeronomie, Katlenburg-Lindau, Germany - stinkspat, fluorine
Harpp, David - McGill University, Montreal, Canada - Rutherford at McGill
Haubrichs, Rolf - University of Geneva, Geneva, Switzerland - archival Marignac
Hawksett, David - Science Editor, Guinness World Records, London - Al Ghiorso etc.
Heyn, Stephen - University of Heidelberg, Heidelberg, Germany - Bunsen, Kirchhoff history
Hödrejarv, Helvi - University of Estonia, Tartu, Estonia - Osann, ruthenium
Hoffman, Dieter - Max Planck Institute for History of Science, Berlin (Dahlem), Germany - history of chemistry in Berlin
Hoffmann, Roald - Cornell University, Ithica, New York - Scheele
Högrelius, Bengt - Fagersta, Sweden - Ekomuseum Bergslagen, Riddarhyttan, Bastnäs mine
Holstom, Dan - Stockholm, Sweden - Museum of Natural History
Hufbauer, Karl - University of California-Irvine, Irvine, California - history of universities in Germany
Hulander, Matts - Director, Ekomuseum Bergslagen, Ludvika - host at Skilå copper works
Humphrey, Arthur - GEC-Marconi, Elmsford, England - Rayleigh, argon
Hyrsl, Jaroslav - Leading mineralogist of Prague, Czech Republic - geology of Eastern Europe
Imrie, Corrie - University of Aberdeen, Aberdeen, Scotland - Soddy, protactinium
Ingram, Malcolm - University of Aberdeen, Aberdeen, Scotland - Soddy, protactinium
Ingrosso, Marco - University of Ferrara, Ferrara, Italy - Paracelsus
James, Frank - Royal Institution, London - Davy, Faraday, Crookes, etc.
Jaussaud, Philippe - School of Veterinary Medicine, Lyon, France - history of pharmacies in Paris, Vaquelin, Rouelle, Lavoisier
Jeannin, Yves - l'université Pierre et Marie Curie, Paris, France - archival history available in Paris
Jewkes, Mike - Archives, University of Glasgow, Glasgow, Scotland - Soddy's apparatus
Johanssen, Ingemar - President, Swedish Mineralogy Society, Kopparberg, Sweden - geology of Sweden, furnished authentic mineralogy specimens from historic sites
Johansson, Mikael - University of Helsinki, Helsinki, Finland - history of Abo (Turku), Finland
Johns, Richard - Royal Society of Medicine, London, England - Gregor, titanium, Manaccan
Karcher, Andreas - Harz Mt Parks, Tilkerode, Germany - thallium mines

Kareiva, Aivaras - Vilnius University, Vilnius, Lithuania - Sniadecki
Karleson, Jan-Åke - tour specialist, Los, Sweden - nickel, history of Loos
Kauffman, George - Fresno State University, Fresno, California - Döbereiner
Kessler, Michael - Pharmaceutical Museum, Basel, Switzerland - Paracelsus
Klaus, Dieter - Museum Schloss Bernburg, Bernburg, Germany - Hartz Mountain mines, Tilkerode, Goslar
Kluge, Andreas - Bergakademie, Freiberg, Germany - history of mining school
Knobloch, Wolfgang - Archives, Berlin-Brandenburgische Akademie der Wissenschaften, Berlin, Germany - history of science in Berlin
Kolbe, Alfred - University of Halle-Wittenberg, Halle, Germany - Dorn; Stahl
Kovács, László - Nemesrempehollós, Hungary - history of science in Budapest
Kramarczyk, Andrea - Schlossberg Museum, Chemnitz, Germany - Agricola
Kraßnitzer, Birgit - Manager, Prechtlhof, Althofen - host for Welsbach castle tour
Lagües, Michel - ESPCI, Paris - history of ESPCI, Curies
Larsen, Alf Olaf - Leading mineralogist of Norway, Stathelle, Norway - Norwegian mineralogy, thorium, hafnium sources
Lakti, Seppo I. - University of Helsinki - Skogsböle, Finland Mine
Levinskas, Rimantas - Lithuanian Energy Institute, Kuanas, Lithuania - host at Vilnius, Lithuania
Lewis, David - Private explorer, Eindhoven, Netherlands - Siwa, Egypt
Lagowski, J. J. - University of Texas - expertise in publication of chemical history
Lozano, Cesar Sanchez - Royal Spa, Zimapan, Mexico - vanadium mine at Cardonal
Lyckberg, Pieter - Pieter Lyckberg Minerals, Luxembourg - expert in world mineralogy
Makepeace, Chris - Manchester, Literary and Philosophical Society, Manchester, England - Dalton, LitPhil Society
Marshall, Ernest - East Carolina University - philosophy of Goethe
Marshall, Robin - University of Manchester, Manchester, England - history of physics at Manchester, Rutherford, Moseley
Mason, Mary - University of Aberdeen, Aberdeen, Scotland - Soddy apparatus
Masson, Francine - Librarian, École des mines, Paris - history of École des mines
Masson, Francine - Ecole des mines, Paris - history of historic sites of mining school
Mastryukov, Vladimir - University of Texas, Austin, Texas - history of Russia
McLaughlin (now Reafsnyder), Marilyn - Press Relations and Communications, Oak Ridge, Tennessee - host at Oak Ridge
Meisel, Manfred - University of Berlin, Berlin, Germany - Klaproth
Metelmann, G. - Varel, Germany - Lothar Meyer
Mikoletzky, Juliane - Archives, Technische Universität Wien, Vienna, Austria - Schrötter, red phosphorus
Morris, Peter - Science Museum, South Kensington, London - history of science in London
Münzenberg, Gottfried - GSI (Society for Heavy Ion Research), Darmstadt, Germany - transuranium elements
Naumann, Marcel - University of Potsdam, Germany - Saxony mines
Neumann, Dieter - Villach Stadt Museum, Villach, Austria - Paracelsus
Nicolescu, Stefan - University of Arizona, Romanian geology
Nikischer, Tony - Excalibur Minerals, Peekskill NY - expert in world mineralogy
Norin, Rolf - University of Linköping, Linköping, Sweden - expert on Scheele

Page, Kenneth - University of Aberdeen, Aberdeen, Scotland - history of science at Aberdeen
Papp, Gabor - Museum of Natural History, Budapest, Hungary - Kitaibel, tellurium (photos, maps, mineralogy)
Pascal, Pierre - Archiviste Municipal, Cognac, France - detailed information on Boisbaudran
Pauty, Michel - University of Dijon, Dijon, France - Courtois
Petersen, Ole - Geological Museum, Copenhagen, Denmark - cryolite, aluminum
Philipse, Frank - Eindhoven, Netherlands - archival information of Philips, recent photos
Pimenta, Alexandre - Tourist Services, Sabara, Brazil - Royal Foundry Museum, palladium
Plass, Monika - University of Halle-Wittenberg, Halle, Germany - Dorn
Pop, Dana - Curator, Mineral Museum, Babes-Bolyai University, Cluj-Napoca, Romania - tellurium, etc
Pors, Felicity - Niels Bohr Institute - Bohr, Hevesey, Oersted, hafnium, aluminum
Promotov, Evgeny Ivanovich - Tourist Information of Tyumen region, Tobolsk, Siberia - Mendeleev's youth
Pykkö, Pekka - University of Helsinki, Helsinki, Finland - Gadolin, yttrium
Räder, Ingela - Köping Museum, Köping, Sweden - Scheele
Railiene, Birute - Lithuanian Academy of Sciences, Vilnius, Lithuania - Sniadecki, vestium
Rayleigh, Lord John - descendant of famous Lord Rayleigh, Terling, England - Rayleigh, argon
Richardson, Gudrun - Archives, Royal Society, London - history of Royal Society
Richter, Siegfried - Bergakademie, Freiberg, Germany , tour of historic sites
Rivet, Jacques - École de Pharmacie, Paris - history of school, Moissan
Rocke, Alan - Case Western Reserve University, Cleveland, Ohio - rich resource of 19th century history of chemistry in France, Germany, and Great Britain
Roesky, Herbert - University of Göttingen, Germany - Wöhler, Stromeyer
Rohac, Jan - Banska Stiavnica, Slovakia - photos of old school, maps of town
Russo, Arturo - University of Palermo, Palermo, Italy - Segre, technetium
Sacks, Oliver - New York City - encouragement and expertise in chemical history
Sanders, John - University of Oxford, Oxford, England - Moseley
Schädel, Matthias - GSI (Society for Heavy Ion Research), Darmstadt, Germany - transuranium elements
Schwalm, Fritz - Texas Woman's University, Denton TX - history of Germany
Schmitt, Ralf-Thomas - Institut für Mineralogie, Museum of Natural History, Berlin, Germany - minerals, Klaproth
Schwartz, Guenter - Amersham Co., Braunschweig, Germany - Giesel, Buchler Co.
Simpson, David and Janet - Heckmondwike, England - Priestley, photos of Old Hall
Sjöberg, Jim - Gripsholm Castle Historical Monument, Mariefred, Sweden, Berzelius, selenium
Slate, Paul - Woolwich Historical Society, Woolwich, England - strontium, Cruikshank
Söderström, Göran - Stadshuset, Stockholm, historic maps of Stockholm, old mint
Solvay, Jacques - Archives, Solvay Company, Brussels, Belgium - attempts to locate original Courtois sample
Steffek, Jozef - Banska Stiavnica, Slovakia - archival information of mines
Stow, Stephen - Director, American Museum of Science and Energy, Oak Ridge, Tennessee - guide at museum and local activities, history of Oak Ridge and Manhattan Project
Szenics, Terry (Skip) - Shelter Rock Minerals, Oyster Bay, NY - expert in world mineralogy

Tandy, Peter - Museum of Natural History, South Kensington, England - Hatchett, niobium, columbite specimen
Taylor, Ellison - scientist in Manhattan Project, Oak Ridge, Tennessee - historic expert on promethium and X-10 site
Theriot, Leroy - University of North Texas - companion and assistance to French-speaking countries
Theiltoft, Roy - Ekomuseum Bergslagen, Rödgruvan, Sweden - Brandt Manor of Riddarhyttan, cobalt
Thel, Irene - Red Cross Educational Center, Gripsholm, Mariefred, Sweden - Berzelius, selenium
Thiel, Ulrich - Bergakademie, Freiberg, Germany - history of mining school
Tirouflet, Jean - University of Dijon, Dijon, France - Courtois and Nitraries
Thoresen, Øivind - Oslo, Norway - mines of Karlshus, Norway
Tosa, Valer - Babes-Bolyai University, Cluj-Napoca, Romania - Guide of Western Romania
Trofast, Jan - Astrazeneca, Lund, Sweden - Blomstrand, Gahn, Scheele, Berzelius
Turner, Alan - Woolwich Historical Society, Sevenoaks, Kent, England - history of Woolwich
Usselman, Mel - University of Western Ontario, London, Canada - Wollaston
Vajdak, Josef - Pequa Rare Minerals, Massapequa, New York - history and minerals of Jachymov (St. Joachimsthal), Czech Republic
van der Schoot, Frans - Philips Research Laboratories, Eindhoven, Netherlands - metallic hafnium
Wales, John - York, England - residences of Smithson Tennant
Watkins, Vicki - Canborne, Cornwall, England - arranged visit to Manaccan area of Cornwall.
Wettermark, Urszula - Lockheed Martin Corp, Ft. Worth, Texas - history of Poland (Wrocław)
Weissman, Jeff - Mindat.org - Mines world-wide
Wetton, Jenny - Museum of Science and Industry, Manchester, England - exhibits and chemical samples, Dalton, Roscoe
Wheeler, Anne - Nantwich Museum, Nantwich, England - photos of Priestley's historic sites
Whittaker, Gavin - University of Edinburgh, Edinburgh, Scotland - Hope and strontium
Williams, Alan - University of Geneva, Geneva, Switzerland - Marignac
Winter, Mark - University of Sheffield, Sheffield, England - general history of elements
Wuest, Jean - University of Geneva, Geneva, Switzerland - Marignac
Zagretdinov, Renat - Kazan State University, Kazan, Russia - Klaus, ruthenium
Zeller, Klaus-Peter - University of Tübingen, Tübingen, Germany - historic buildings, Lothar Meyer
Zhivopistseva, Elena - Tour Services, St. Petersburg, Russia - Mendeleev
